

CUI DEPOT

FORTIFY YOUR CUI

CAPABILITY STATEMENT

CUI Depot is a leading e-commerce provider of compliance-grade products specifically designed to support the safeguarding of Controlled Unclassified Information (CUI) in alignment with Executive Order 13556 and 32 CFR Part 2002. Our products meet the standards set by the National Archives and Records Administration (NARA) and are fully compliant with federal CUI marking, labeling, and signage requirements.

Built around the practical needs of NIST SP 800-171 and CMMC compliance, our catalog includes high-quality physical and digital CUI identification materials that help organizations properly mark, control, and protect sensitive information. We simplify compliance by offering ready-to-use, standardized materials that align with official federal guidelines. All products are designed, printed, and manufactured in the United States to ensure data protection, supply chain integrity, and consistent quality.
